- Exam Plus means if you prefer contacts you get your exam plus an allowance for contacts in place of lenses and frames.

Frequently Asked Questions

How does the plan work?

The plan is easy to use!

1. Obtain a Benefit Form from CompBenefits by calling the Member Services Department (1-800-865-3676) or visiting online at www.visioncare.com.
2. CompBenefits will send you a personalized Benefit Form that outlines your benefits, along with a list of providers. Then schedule your appointment.
3. Give the Benefit Form to the doctor during your first visit. You'll pay any co-payments at that time.

You have nothing more to do! The doctor provides you with services and bills CompBenefits directly for the balance of your bill.

Since the plan is designed to meet your eye care needs, optional upgrades (like frames costing more than the plan limits, progressive lenses, or contacts that are not medically necessary) will cost extra. However, since all upgrades are on a wholesale basis, your cost will be lower than what you would pay on your own.

What are the advantages of using a network provider?

CompBenefits' national network of providers provides you with one-stop shopping. You'll receive eye exams and materials and pay nothing more than your co-payment (cosmetic options will include additional charges).

What if I want to see a provider not in your network?

If you prefer, you can visit a non-network doctor. You will pay the doctor's regular charges, and CompBenefits will reimburse you according to the plan's non-network benefit schedule.

How can I get more information?

You may contact the Member Services Department with any questions or concerns at 1-800-865-3676, M-F 8am-6pm EST. You may also locate us on the web at www.mycompbenefits.com.
